

3) Do you still have any of the tires that originally came with your vehicle?

- Yes No

If "yes," please provide the "DOT" number from each of the original tires. The illustration above describes how to find the DOT number on the sidewall of your tires. For example, in the illustration above, the DOT number is "DOT EJH8 DCJ 4905."

4) If you have replaced the tires on your vehicle, what was the tire mileage (or odometer reading if the tires had been in continuous use on the vehicle) when you replaced the tires? (Required) _____

5) a. Were the tires replaced for excessive noise and/or irregular wear? If so, please describe or explain. (Required) _____

b. When and where did you replace the tires? _____

c. What kind of replacement tires were installed and what, if anything, did you pay to replace the tires? (Please provide manufacturer, tire name, style, DOT number, etc.). _____

Attach documents which support your responses to this question, including documents showing your actual costs for the replacement tires and labor to replace the tire (receipt, invoice, repair order, credit card statement, cancelled check, or other proof of payment). (Required)

6) Did you experience the condition described in the Class Notice with your tires? (Required)

- Yes No

If "yes," what was your tire mileage (or odometer reading if the tire had been in continuous use on the vehicle) when you first noticed the condition? You may approximate if you do not know or recall the exact mileage. (Required)

7) Did you make any note or record of your tire mileage (or odometer reading at that time) at the time you first noticed the condition described in the Class Notice?

- Yes No

Attach any documents reflecting such note or record. _____

8) How did you notice the condition described in the Class Notice? Describe in detail all visual observations, anything you heard or anything you touched or felt that you believe relates to the condition. (Required)

9) How soon (in months or miles) and in what manner did you first report the condition described in the Class Notice to BMW (e.g., BMW authorized dealership BMW customer service) or a third party (e.g., Bridgestone, Bridgestone customer service, Bridgestone-affiliate service center, federal/state/local agency or official, Better Business Bureau, Discount Tire, blog posting, etc.)? _____

- I have attached documents reflecting my report to BMW or to a third party

10) If you did not immediately, or ever, report the condition described in the Class Notice to BMW (e.g., BMW authorized dealership, BMW customer service) or a third party (e.g., Bridgestone, Bridgestone customer service, Bridgestone-affiliate service center, federal/state/local agent or official, Better Business Bureau, Discount Tire, blog posting, etc.), or do not have any documents reflecting such a report to BMW or to a third party, please explain why (*this is required if you are seeking reimbursement for replacement after using the tires for more than 20,000 miles*)

11) Did you receive any other benefit (“goodwill” or other pricing adjustment, coupon, reimbursement, or refund from BMW, Bridgestone, or any person or entity, such as a tire insurance program) in connection with the replacement of your tires? Describe (Required). _____

12) If you received any other documents from the tire service center or provider at the time you replaced the tires, please attach a copy of all such documents.

- Confirming documents attached.
